

TO GIVE HOPE IN PCOS...

Fertiven-F Tablets

Myo-Inositol 300mg + D-Chiro Inositol 50mg + L-Methyl Folate 200mcg + Vitamin D3 600IU + Vitamin B12 2.2mcg + Coenzyme Q10 50mg + L-Arginine 100mg + N-Acetyl Cysteine 200mg + Omega-3 200mg + Zinc 10mg + Selenium 40mcg Tablets

◆ Myo-Inositol 300mg

Improves insulin sensitivity, Restores hormonal balance in PCOS & Supports ovarian function and fertility.

◆ D-Chiro Inositol 50mg

Works with Myo-inositol for better ovarian health Helps regulate menstrual cycle Supports glucose metabolism.

◆ L-Methyl Folate 200mcg

Active form of folate (better absorbed than folic acid) Essential for DNA synthesis and cell growth Prevents neural tube defects in pregnancy.

◆ Vitamin D3 600IU

Improves bone and calcium health, Boosts immunity & Supports reproductive and hormonal health.

◆ Vitamin B12 (Cyanocobalamin) 2.2mcg

Maintains nerve and brain function, Supports red blood cell production & Reduces risk of anemia.

◆ Coenzyme Q10 50mg

Powerful antioxidant for cell energy, Improves egg quality and sperm motility & Supports heart health.

◆ L-Arginine 100mg

Improves blood circulation, Supports reproductive health & Enhances nitric oxide production for vascular health.

◆ N-Acetyl Cysteine 200mg

Antioxidant and detoxifier (glutathione precursor), Improves ovulation in PCOS & Supports liver health.

◆ Omega-3 (EPA+DHA) 200mg

Reduces inflammation, Supports brain, heart, and eye health & Improves fertility and pregnancy outcomes.

◆ Zinc 10mg

Essential for immunity and wound healing, Supports reproductive hormones in men and women & Improves sperm quality.

◆ Selenium 40mcg

Antioxidant that protects cells from oxidative stress, Improves thyroid function & Supports male fertility and sperm motility.

Overall Benefits (as a combination):

Supports fertility & reproductive health (useful in PCOS & infertility)

Enhances metabolism & insulin sensitivity

Provides antioxidant protection (reduces oxidative stress)

Strengthens immunity, energy & overall wellness

Also Indicated in :

PCOS

Pre-eclampsia

Irregular periods

Restores ovulatory activity

Decreases Luteinizing Hormone

Improves oocyte quality

150 Tablets Pack
10x15 Tablet

In Asthenozoospermia !!

Fertiven-M

Tablets

L-Carnitine L-Tartrate 300mg + Coenzyme Q10 100mg + Lycopene 10mg + Zinc 15mg + Vitamin E 10mg + Vitamin C 90mg + Folic Acid 400mcg + Selenium 40mcg + Ashwagandha Extract 250mg + Omega-3 (EPA+DHA) 200mg + Grape Seed Extract 50mg Tablets

♂ L-Carnitine L-Tartrate 300mg

Boosts energy production in cells, Improves sperm motility and count & Reduces oxidative stress in reproductive organs

♂ Coenzyme Q10 100mg

Strong antioxidant, supports heart and cell energy, Enhances sperm motility and egg quality & Protects against oxidative damage

♂ Lycopene 10mg

Antioxidant from tomatoes, Protects sperm DNA from free radicals & Supports prostate health

♂ Zinc 15mg

Essential for male hormone production (testosterone), Improves sperm quality and count Supports immunity and wound healing

♂ Vitamin E 10mg

Antioxidant protecting sperm membranes, Enhances sperm motility & Supports skin and cardiovascular health

♂ Vitamin C 90mg

Improves sperm quality by reducing oxidative stress, Strengthens immunity & Supports collagen and skin health

♂ Folic Acid 400mcg

DNA synthesis and cell division, Works with zinc for sperm quality & Prevents neural tube defects in pregnancy

♂ Selenium 40mcg

Key antioxidant trace mineral, Supports sperm motility and testosterone production & Boosts thyroid and immunity

♂ Ashwagandha Extract 250mg

Adaptogen (reduces stress, improves stamina), Increases testosterone levels in men & Improves sperm count and vitality

♂ Omega-3 (EPA + DHA) 200mg

Improves sperm membrane fluidity, Reduces inflammation & Supports brain, heart and eye health

♂ Grape Seed Extract 50mg

Rich in proanthocyanidins (powerful antioxidants), Protects sperm DNA and cells from oxidative stress& Supports circulation and cardiovascular health

Ensures healthy sperm.....
Assures happy Fatherhood.....

Beneficial in:

Oligoasthenoteratozoospermia (OAT)
Idiopathic Male Infertility
Varicocele associated with asthenozoospermia
Smoking Induced Male Infertility

Overall Benefits (Combination):

Male fertility support - improves sperm quality, motility, and count

Antioxidant protection - reduces oxidative stress, protects DNA

Energy & vitality - boosts mitochondrial energy and reduces fatigue

Reproductive health - balances hormones, improves testosterone levels

General wellness - supports heart, immunity, and stress management.

150 Tablets Pack
10x15 Tablet

A Combination for Female Health & Fertility

Ovolite Tablets

L-Carnitine 500mg + L-Arginine 100mg + Liposomal Coenzyme Q10 20mg + Astaxanthin 8mg + Lycopene 2500mcg + Zinc 5mg + Selenomethionine 40mcg + Protodioscin 40mg Tablets

➤ L-Carnitine 500mg

Supports fat metabolism and energy production. Helps in reducing fatigue and improving exercise performance. May support heart health and sperm motility in men.

➤ L-Arginine 100mg

Precursor to nitric oxide → improves blood flow and circulation. Supports heart and vascular health. & May improve stamina, fertility, and workout recovery.

➤ Liposomal Coenzyme Q10 20mg

Powerful antioxidant supporting heart and mitochondrial function. Boosts energy production in cells. Helps reduce oxidative stress and fatigue. Supports fertility (both male & female).

➤ Astaxanthin 8mg

One of the strongest antioxidants (many times stronger than Vitamin C & E). Protects eyes, skin, and cardiovascular system. May reduce inflammation and improve skin health.

➤ Lycopene 2500mcg

Antioxidant mainly beneficial for prostate health. Protects against oxidative damage in heart and skin. & May support healthy cholesterol levels.

➤ Zinc 5mg

Supports immunity, wound healing, and reproductive health. Essential for testosterone production in men. Helps maintain healthy skin, hair, and nails.

➤ Selenomethionine 40mg

Antioxidant, works with Vitamin E to protect cells. Supports thyroid function and immunity. Plays a role in male fertility by improving sperm quality.

➤ Protodioscin 40mg

Plant-derived compound (from Tribulus terrestris). May boost testosterone levels and improve libido. Supports energy, muscle strength, and stamina.

Also Indicated in :

1. Cardiovascular Health
2. Energy & Stamina
3. Antioxidant Protection
4. Male Vitality & Reproductive Health
5. Immunity & General Well-being
6. Thyroid & Cellular Function

Overall Benefits:

This formulation mainly supports energy, heart health, antioxidant protection, stamina, male reproductive health, and anti-aging benefits.

To prevent heart threatening risk

Atorvastatin

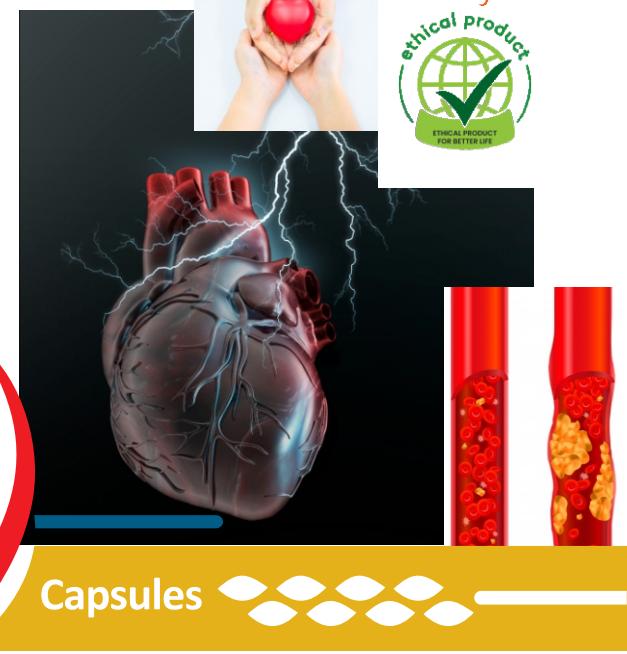

- ♥ Lowers blood Cholesterol
- ♥ Stabilizes plaque & prevents strokes
- ♥ Works by inhibiting HMG-CoA reductase

Clopidogrel

- ♥ Works by blocking platelets from sticking together and prevents them from forming harmful clots.
- ♥ An antiplatelet drug.
- ♥ It helps keep blood flowing smoothly in your body.
- ♥ Reduces formation of platelets leucocyte micro particles.
- ♥ Prevents heart attack and strokes.
